HOTELS IN BALI

Most tourists stay either on the East coast in Sanur or the West coast in Kuta, Legian, Seminyak or Kerobokan. The two sides are very different from each other. Sanur is quiet, calm, and peaceful, with a lot less traffic. The West coast is much more touristy, trendy, busy and popular among young tourists. We recommend staying in Sanur as this probably the best location for visiting schools. Of course Ubud is another option for some cooler mountain air, rice fields, and wellness options.

HOTELS IN SANUR: [Sanur Paradise Plaza Hotel](#), [Mercure](#), [Fairmont](#), [Parigata](#), [Inna Grand Bali Beach](#), [Tanjung Sari](#). Otherwise there are many others to choose from in Sanur. [Take your pick!](#)

RESTAURANT RECOMMENDATIONS IN SANUR

Restaurants can be found all along Sanur's beachfront and the main tourist road Jalan Tamblingan.

- ❑ [Kayu Manis](#) - excellent Indonesian food, best to make a booking
- ❑ [Warung Kecil](#) - "Small Warung". Ready to go local Indonesian dishes, cheap, no MSG. Popular place, so often full, but they don't do reservations.
- ❑ [Massimo](#) - very popular Italian with great home-made ice cream, you need to reserve ahead.
- ❑ [La Playa](#) - restaurant on the beach with western and Indonesian food. They do a great Balinese *ristafel* for two.
- ❑ [Lutuh's Cafe](#) - on the beach and serves delicious cakes and coffee.
- ❑ [Soul on the Beach](#) - relaxing comfort food, Western and Indonesian, and happy hour on the beach. Close to Lutuh's Cafe.
- ❑ [Bamboo Beach Bar](#) - nice place, but more upscale, for drinks on the beach with some food.
- ❑ [Glass House](#) and [Soul in a Bowl](#) - serve excellent breakfasts.

DAY TRIPS FROM SANUR

- ❑ Surfing in [Seminyak](#) or [Kuta](#) - Sanur's beach is very quiet, no waves. Surfing is possible, but at the reef away from the beach.
- ❑ A closer beach from Sanur (about 10-15 minutes) with waves and good surf is [Serangan Island](#). It includes a turtle conservation center and some very simple low-key warung (restaurants).
- ❑ To the South find [Jimbaran](#) beach - good surf and great fish restaurants.
- ❑ Visit [Ubud](#) for adventure (cycling, white water rafting, walks), food, shopping, wellness and yoga.
- ❑ Diving can be organized from various dive companies in Sanur.
- ❑ Visit [Nusa Lembongan](#) Island for another "Bali of the past".
